

Freedom. Flexibility. Options.

Have it all with GoGetta equipment funding.

The GoGetta Rental Solution

From small family businesses to franchise groups and large corporate organisations, the right funding is essential in order to keep your options open, and to preserve as much cash as possible to grow and expand.

Our unique Rent.Grow.Own.[®] Solution allows you to save your hard-earned working capital – rather than spending it on depreciating assets. And if you exercise your option to buy, we reduce your purchase price by 75% of the net rent you've already paid. Who says you can't make your rental dollars work for you?

How it works

Rent.Grow.Own. is perfect for businesses who want to keep their options open. So, why lock yourself into long term liabilities that limit your options? Instead, we offer a 12 month agreement, so your business has the flexibility to:

- Purchase equipment at any time during the first 12 months and receive a 75% rental rebate.
- Change to a Rent-To-Own, go.Own.plus rental agreement*
- Return equipment at the end of the 12 month agreement if no longer required.
- Continue to rent – and we'll simply continue to reduce your purchase price.

*Conditions apply

Example

Just say you rent assets valued at \$10,000. By choosing the Rent.Grow.Own. Solution, you could look forward to:

Low weekly rent of	\$138.46
Purchase price at the end of one year	\$5,600
Total net rental payments*	\$10,640
Rental cost of ownership - just	\$640

*Net rent after tax savings plus purchase price.

(NB: A refundable security bond of an amount equal to 4 weeks is required with the signed agreement. A Document Fee of \$235 will also apply.)

Total asset value on each contract must be a minimum of \$2000.

Key benefits

Great benefits of the GoGetta Rent.Grow.Own. Solution include:

- Low weekly rental repayments.
- The chance to free up your valuable working capital.
- The ability to try before you buy.
- Peace of mind from knowing you're not stuck with equipment that isn't perfect for your needs.
- A 12 month agreement – don't get locked into a long term lease.
- Rental payments are 100% tax-deductible.
- Renting is off 'balance sheet', meaning it doesn't affect your capacity to borrow for future expansion.
